## Literacy Works for Personal Development, Health and Physical Education Book 2

			PDHPE NSW syllabus for the Australian curriculum: Stages 4 and 5	
Page	Topic	Literacy skill	Outcomes	Key inquiry questions and content
i-x	Introduction			
	<b>Module 1: Interpreting questions and instructions</b>			
01-02		Answering the assignment question or following the instruction		
03-04		Purposes for writing in Personal Development, Health and Physical Education		
05-06		Identify purposes for writing in Personal Development, Health and Physical Education		
07-08		Linking the question with the purpose		
	<b>Module 2: Procedures</b>			
09-10	<b>Conflict resolution - procedure</b>	Model of a procedure	PD 4-3	<b>HEALTH, WELLBEING AND RELATIONSHIPS</b>  <b>Stage 4: What skills and strategies can be used to promote inclusivity, equality and respectful relationships?</b> - explore skills and strategies needed to communicate and engage in relationships in respectful ways  <b>Stage 5: How can people respond positively to life challenges?</b> - evaluate situations, propose appropriate emotional responses and reflect on possible outcomes of different responses ACPPS094
11-12	<b>First Aid DRSABCD Action Plan</b>	Applying a procedure in a scenario - read a case study		<b>HEALTHY SAFE AND ACTIVE LIFESTYLES</b>
13-14	<b>First Aid DRSABCD Action Plan 2</b>	Applying a procedure in a scenario - answer questions about the case study	PD 4-7 4-8	<b>Stage 4: What positive actions contribute to the health, safety, wellbeing and participation in physical activity levels of the wider community?</b> - recognise potentially unsafe environments and describe strategies to promote their own and others' health, safety and wellbeing in a variety of real-life situations:
15-16	<b>First aid - recovery position</b>	Text connectives showing time		
17-18	<b>First aid - how to apply a tourniquet</b>	Cause and effect language; underline command verbs	PD 5-7	<b>Stage 5: What strategies can I plan and prioritise in my community to empower individuals to lead healthy, safe and active lifestyles for the benefit of my own and others' wellbeing?</b> - plan, rehearse and evaluate options for managing situations where their own and others' health, safety and wellbeing may be at short or long-term risk ACPPS091
20		Scaffold for a procedure		

			PDHPE NSW syllabus for the Australian curriculum: Stages 4 and 5	
Page	Topic	Literacy skill	Outcomes	Key inquiry questions and content
<b>Module 3: Reports</b>				
21-22		What is a report? Scaffold for information reports		
23-24	<b>Types of bullying</b>	<b>Information reports</b> Model of an information report	PD 4-1 4-3	<b>HEALTH, WELLBEING AND RELATIONSHIPS</b>  <b>Stage 4: What skills and strategies can be used to promote inclusivity, equality and respectful relationships?</b> - discuss the impact of power in relationships and identify and develop skills to challenge the abuse of power
25-26	<b>Types of discrimination</b>	Topic sentences for an information report	PD 5-3	<b>Stage 5: What factors enhance inclusivity, equality and respect in relationships?</b> - investigate how the balance of power influences the nature of relationships and propose actions to build and maintain relationships that are respectful
27-28	<b>Elements of movement in trampolining</b>	Punctuation: Paragraphs, capitals and full stops	PD 4-4  PD 5-5	<b>MOVEMENT SKILL AND PERFORMANCE</b>  <b>Stage 4: How can I evaluate movement competence, adapt movement skills and apply these skills in dynamic movement situations?</b> - demonstrate and explain how the elements of space, time, objects, effort and people can enhance movement sequences ACPMP084  <b>How can I create new rules, strategies and tactics to improve movement and evaluate the effect these have on performance?</b> - analyse the impact of space, time, objects, effort and people when composing and performing movement sequences ACPMP103
29	<b>Compare and contrast report</b>			
30	<b>Guidelines for physical activity 1</b>	Model of a compare and contrast report	PD 4-7	<b>HEALTHY, SAFE AND ACTIVE LIFESTYLES</b>  <b>Stage 4: What positive actions contribute to the health, safety, wellbeing and participation in physical activity levels of the wider community?</b> - investigate the benefits of a balanced lifestyle and explore strategies that contribute to community health, wellbeing and participation in a lifetime of physical activity
31-32	<b>Guidelines for physical activity 2</b>	Use a Venn diagram and table to compare and contrast		
33-34	<b>Guidelines for physical activity</b>	Evaluate Venn diagram and table		
35-36	<b>Guidelines for healthy eating</b>	Analyse information and record analysis in a table	PD 5-7	<b>Stage 5: How can I plan and advocate for health, safety, wellbeing and participation in a lifetime of physical activity?</b> - critically analyse health information, products and services to promote health, safety, wellbeing and physical activity levels
37-38	<b>Guidelines for healthy eating</b>	Write a compare and contrast report		

			PDHPE NSW syllabus for the Australian curriculum: Stages 4 and 5	
Page	Topic	Literacy skill	Outcomes	Key inquiry questions and content
39-40		<b>Research report</b> Stages of a research report, planning a report		
41-42	<b>Bushwalking report 1</b>	Organise notes under headings for a report		<b>HEALTHY, SAFE AND ACTIVE LIFESTYLES</b>
43-44	<b>Bushwalking report 2</b>	Rewrite notes in a report	PD 4-7	<b>Stage 4: What positive actions contribute to the health, safety, wellbeing and participation in physical activity levels of the wider community?</b> - investigate the benefits of a balanced lifestyle and explore strategies that contribute to community health, wellbeing and participation in a lifetime of physical activity
			PD 5-7	<b>Stage 5: How can I plan and advocate for health, safety, wellbeing and participation in a lifetime of physical activity?</b> - evaluate strategies and actions that aim to enhance health, safety, wellbeing and physical activity levels and plan to promote these in the school and community
45-46	<b>Risky lifestyle behaviours – overweight and obesity</b>	Identify the purpose of each section of a research report	PD 4-7	<b>Stage 4: What positive actions contribute to the health, safety, wellbeing and participation in physical activity levels of the wider community?</b> - examine factors that influence health and wellbeing - recognise potentially unsafe environments and describe strategies to promote their own and others' health, safety and wellbeing in a variety of real-life situations
47-48	<b>Overweight and obesity 1</b>	Match assignment question to sections of a research report		
49-50	<b>Overweight and obesity 2</b>	Features of a research report 1		
51-52	<b>Overweight and obesity 3</b>	Features of a research report 2	PD 5-7	<b>Stage 5: How can I plan and advocate for health, safety, wellbeing and participation in a lifetime of physical activity?</b> - critically analyse health information, products and services to promote health, safety, wellbeing and physical activity levels
53-54	<b>Alcohol media release</b>	How to read an article for research – steps for reading		
55-56	<b>Alcohol 2</b>	How to read an article for research – steps for reading		
57-58	<b>Alcohol 3</b>	How to read an article for research – steps for reading		
59-60	<b>Alcohol 4</b>	Read a press release		
61	Larger versions of images for healthy eating guidelines (p39)			
62	<b>Alcohol health campaign report 1</b>	Information to help you write a research report	5-7	<b>Stage 5: How can I plan and advocate for health, safety, wellbeing and participation in a lifetime of physical activity?</b> - critically analyse health information, products and services to promote health, safety, wellbeing and physical activity levels
63-64	<b>Alcohol health campaign report 2</b>	Report scaffold – write a report		
65-66	<b>Alcohol health campaign report 3</b>	Report scaffold – write a report		
67-68	<b>Depression</b>	Match topic sentence and body paragraphs		
69-70	<b>Depression</b>	Features of a report	4-7	<b>Stage 4: How can I effectively manage my own and support others' health, safety, wellbeing and participation in physical activity?</b> - plan and use health practices, behaviours and resources to enhance the health, safety, wellbeing and physical activity participation of their communities ACPPS077
71-72	<b>Anxiety</b>	Write a report		

			PDHPE NSW syllabus for the Australian curriculum: Stages 4 and 5	
Page	Topic	Literacy skill	Outcomes	Key inquiry questions and content
<b>Module 4 Explanations</b>				
73-74	<b>How fast food marketing targets children and young people</b>	Explanation model	PD 4-6  PD 5-6	<b>HEALTHY, SAFE AND ACTIVE LIFESTYLES</b> <b>Stage 4: What positive actions contribute to the health, safety, wellbeing and participation in physical activity levels of the wider community?</b> - develop health literacy skills and promote health information that is aimed at assisting young people to address health issues <b>Stage 5: Why are external influences an important aspect of my own and others' health, safety, wellbeing and participation in physical activity?</b> - investigate media strategies, marketing and influences associated with health issues affecting young people
75-76	<b>Various</b>	Interpreting questions and instructions for explaining		
77-78	<b>Low self-esteem and bullying</b>	Types of explanations - factorial and consequential	PD 4-1 4-3	<b>HEALTH, WELLBEING AND RELATIONSHIPS</b> <b>Stage 4: What skills and strategies can be used to promote inclusivity, equality and respectful relationships?</b> - discuss the impact of power in relationships and identify and develop skills to challenge the abuse of power
79-80	<b>Influences on a healthy body image for young people</b>	Factorial explanation model	PD 4-1 4-3	<b>Stage 4: Why are connection, inclusion and empowerment important for the health, safety, wellbeing and physical activity levels of the wider community?</b> - explore the relationship between various health, safety and physical activity issues affecting young people and assess the impact it has on the health, safety and wellbeing of the community
81-82	<b>Explain influences on feelings</b>	Find cause and effect language and identify influences	PD 4-1 4-3	<b>Stage 4: How do change, transition and environment shape my identity?</b> - investigate the impact of transition and change on identity ACPPS070
83-84	<b>Contextual factors that influence health behaviours</b>	Conjunctions of cause and effect	PD 4-6	<b>HEALTHY, SAFE AND ACTIVE LIFESTYLES</b> <b>Stage 4: How can I effectively manage my own and support others' health, safety, wellbeing and participation in physical activity?</b> - propose and develop protective strategies to effectively manage their own personal health, safety and wellbeing ACPPS073
85-86	<b>Why different young people could have different energy requirements</b>	Nouns and verbs for explaining		
87-88	<b>Risk factors for Type 2 diabetes</b>	Plan a factorial explanation	PD 5-6 5-7	<b>Stage 5: Why are external influences an important aspect of my own and others' health, safety, wellbeing and participation in physical activity?</b> - analyse situations where external influences may have an impact on their ability to make healthy and safe choices ACPPS092
89-90	<b>Risk factors for Type 2 diabetes</b>	Write a factorial explanation		- analyse the contextual factors that have an impact on the health, safety, wellbeing and participation in physical activity of individuals and groups
91-92	<b>Negative effects of social media</b>	Model of a consequential explanation		
93-94	<b>Effects of discrimination</b>	Identify types of effects	PD 5-3	<b>HEALTH, WELLBEING AND RELATIONSHIPS</b> <b>Stage 5: What factors enhance inclusivity, equality and respect in relationships?</b> - investigate how the balance of power influences the nature of relationships and propose actions to build and maintain relationships that are respectful
95-96	<b>Effects of discrimination</b>	Write explanation sentences using conjunctions		
97-98	<b>Effects of discrimination</b>	Write a consequential explanation		

			PDHPE NSW syllabus for the Australian curriculum: Stages 4 and 5	
Page	Topic	Literacy skill	Outcomes	Key inquiry questions and content
99-100	<b>Short and long term effects of drugs</b>	Nouns and verbs for explaining	PD 4-7	<b>HEALTHY, SAFE AND ACTIVE LIFESTYLES</b> <b>Stage 4: What positive actions contribute to the health, safety, wellbeing and participation in physical activity levels of the wider community?</b> - recognise potentially unsafe environments and describe strategies to promote their own and others' health, safety and wellbeing in a variety of real-life situations
102	Scaffold for explanations			
	<b>Module 5 Evaluations</b>			
103-104	<b>Evaluating National Walk to School Day</b>	What is evaluating? Model of an evaluation	PD 4-7	<b>HEALTHY, SAFE AND ACTIVE LIFESTYLES</b> <b>Stage 4: What positive actions contribute to the health, safety, wellbeing and participation in physical activity levels of the wider community?</b> - develop health literacy skills and promote health information that is aimed at assisting young people to address health issues
105-106	-	Positive and negative evaluation words		
107-108	<b>Evaluating health information</b>	Positive and negative evaluation words		
109-110	<b>Evaluating community health campaigns</b>	Find evaluation words		
111-112	<b>Evaluating the Red Frogs community health program</b>	Using adverbials to make an evaluation more balanced		
113-114	<b>Food labels</b>	Interpreting nutrition panels	PD 4-7	<b>HEALTHY, SAFE AND ACTIVE LIFESTYLES</b> <b>Stage 4: What positive actions contribute to the health, safety, wellbeing and participation in physical activity levels of the wider community?</b> - develop health literacy skills and promote health information that is aimed at assisting young people to address health issues
115-116	<b>Evaluate nutrition labels 1</b>	Interpreting nutrition panels and evaluating nutritional information		
117-118	<b>Evaluate nutrition labels 2</b>	Interpreting nutrition panels and evaluating nutritional information		
119-120	<b>Evaluate nutrition labels 3</b>	Interpreting nutrition panels and evaluating nutritional information		
121-122	-	Developing criteria for evaluating		
123-124	<b>Evaluate a fitness promotion campaign</b>	Evaluate a fitness promotion campaign	PD 5-7	<b>Stage 5: How can I plan and advocate for health, safety, wellbeing and participation in a lifetime of physical activity?</b> - critically analyse health information, products and services to promote health, safety, wellbeing and physical activity levels
125	-	Health research and evaluations for teachers		
126	-	Scaffold for evaluations		

			PDHPE NSW syllabus for the Australian curriculum: Stages 4 and 5	
Page	Topic	Literacy skill	Outcomes	Key inquiry questions and content
<b>Module 6: Arguments</b>				
127-128	<b>Sporting clubs should create a healthy environment</b>	<b>Expositions</b> What are arguments? Model of exposition	PD 4-6	<b>HEALTHY, SAFE AND ACTIVE LIFESTYLES</b> <b>Stage 4: How can I effectively manage my own and support others' health, safety, wellbeing and participation in physical activity?</b> - plan and use health practices, behaviours and resources to enhance the health, safety, wellbeing and physical activity participation of their communities ACPPS077  <b>Stage 5: How can I plan and advocate for health, safety, wellbeing and participation in a lifetime of physical activity?</b> - evaluate strategies and actions that aim to enhance health, safety, wellbeing and physical activity levels and plan to promote these in the school and community
129-130	<b>Sporting clubs should create a healthy environment</b>	Modal language
